Cool things to do on hot days

As a member of Swiss Family Hotels, we offer families many reasons to stay also in the summer:

– Start your day with a hearty breakfast buffet at **signahotel**. Our **Kids Buffet** puts your little ones first and keeps them engaged right from the get go. If you choose to have breakfast in your apartment but don't feel like making it every day, order a «**Fridge Fill-up**».

– In the **Ami Sabi Summer Wonderland** your children learn all about local nature and will be professionally taken care of in our daycare.

– The **Hubertus Archery Park** offers a welcome break on your hike to hit some targets.

– The boat-launching at **Connbächli** is a special hiking experience for your little ones. The boat can either be made by yourself or purchased at the guest information in Films.

– For endless fun and puzzles, follow the fox on the **Foxtrail**. Alternatively the in-house **treasure hunt** can be found in the kids adventure map.

– If you prefer to spend your vacations on your **bike**, Films Laax Falera is a paradise. 330 kilometers of bike trails are waiting for you!

– Discover on a **hike** the UNESCO World Heritage Site Tectonic Arena Sardona with the Martin's Hole and the Tschingelhörner, venture on the oldest **via ferrata** in Switzerland, the Pinut, and refresh yourself in the turquoise blue **Lake Cauma**.
