## Weekly programme

In the main holiday periods, our guests can also enjoy an attractive and unique weekly programme, filled with activities for both children and adults to enjoy. The weekly programme is always online on our homepage or at the reception desk.

## Your summer adventure

Turquoise-coloured mountain lakes, breathtaking panoramas and imposing gorges. The nature in Flims Laax inspires with its versatility and can be discovered on foot or by bike. Countless activities are waiting for you!

## Ski-in Ski-out

Experience LAAX also in winter with 224 kilometres of slopes, 5 snow parks and the world's largest halfpipe.

Those who prefer a less action-packed holiday can enjoy nature on the numerous winter hiking trails, on cross-country skis or on a sledge.

## Day nursery, Ami Sabi Summer Wonderland & workshop

Enjoy me-time and give your children in the loving care of the LAAX School. By going on excursions, doing crafts, listening to stories and many other exciting activities, our youngest guests will also experience varied holiday fun with us.

Did you know: As our guest you benefit from 20% off all LAAX School offers, including childcare.

## LAAX App

Whether ticket purchases, live information or reservations - the LAAX app is your digital companion in the destination Flims Laax.

## Culinary delights

Numerous restaurants in the rocksresort will spoil you with their culinary variety. Further, you can enjoy this summer our popular «Dine Around» offer. We recommend to book your table via QR code or LAAX app early!

## For small and big freestylers

The brand new **Freestyle Academy** takes our freestyle offer to a whole new level. With an area of around 2000 m<sup>2</sup>, it will be the new epicentre for leisure freestylers and professionals in summer and, of course, in winter.

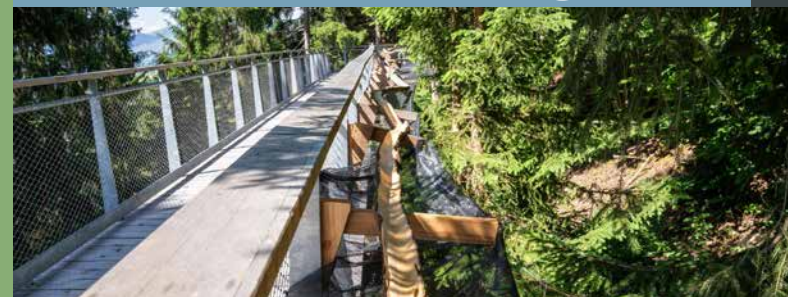

The first turns and tricks in the snow or on a **bike**, can be learned by children and the whole family at the **LAAX School**.

And best of all: as our guest you benefit from 20% off all LAAX School offers this summer.

## Senda dil Dragun

The world's longest treetop walk connects Laax Murschetg and Laax Village, and is open in summer as well as winter. The entrance directly at the rocksresort leads you on an exciting and educational path. Special highlights are the marble run, the spiral-shaped slide and the zipline and vertical drop with a planned opening this summer 2024.

## More cool activities for hot days

- A special hiking experience in spring, summer and autumn for your little ones is the «Connbächli». The little boats for the stream can either be made by yourself, or purchased at the guest information centre in Flims. 
- For endless riddle fun, follow the trail of the fox on the Foxtrail or solve the hotel's own treasure hunt directly in the kid's flyer. 
- At the Flims sports centre «Prau la Selva», around a 15-minute walk from us, you will also find a minigolf and a high ropes course. 
- Climbing the Pinut via ferrata through the Flimsenstein is a nature experience with thrills and without risk. Through caves, over ladders and stairs over three rock steps. The climb contains no technical difficulties, but requires a head for heights at certain places. Also suitable for beginners. (From 12 years)
